

# ELOPEMENT PACKAGES

---

2021-2022

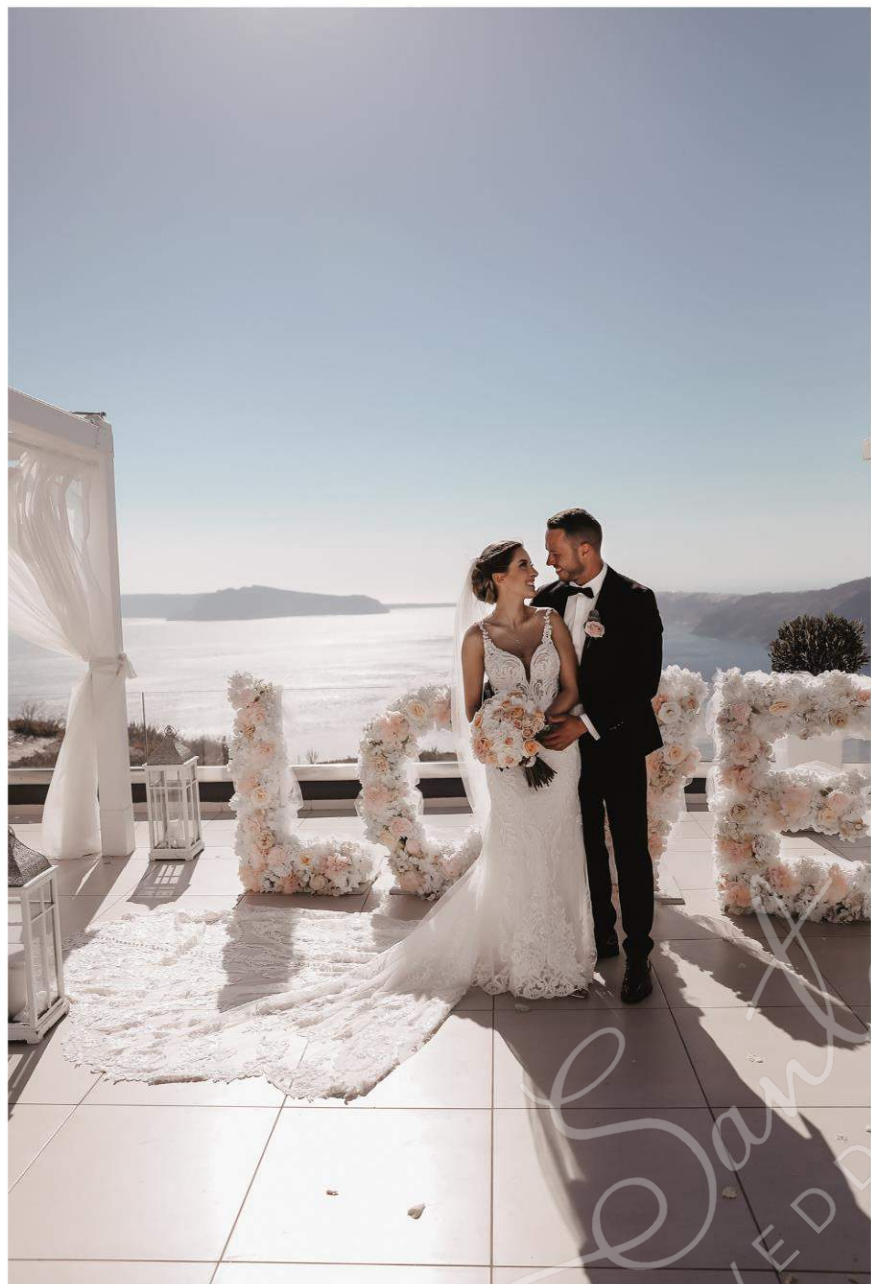

# Important NOTES....

10

- We created a series of unique elopement wedding packages to give you the best options
- Each and every package includes a great many services that will guarantee you and your better half having a unique experience on the island.
- You can add or omit services according to your needs and wishes so that this magical day of yours falls into your budget. All of our wedding packages can include dinner or accommodation upon request.

Our team is here just to make all of your dreams come true on the heavenly island of Santorini.
